4. ALTERATIONS AND CANCELLATIONS BY US

Changes to confirmed holiday arrangements sometimes have to be made and we reserve the right to do so. Where a significant change is made before departure, we will notify you in writing. Occasionally, before departure, we may be constrained by circumstances beyond our control to make a significant alteration to any of the main characteristics of the travel

services which form part of your confirmed booking or to any special requirements which we have accepted.

Our holidays require a minimum number of bookings to enable us to operate them and we reserve the right to cancel any holiday where this minimum number is not achieved. The minimum number applicable to any particular holiday depends on a number of factors. Failure to achieve the applicable minimum number does not, however, oblige us to cancel.

In the event we have to significantly alter any of the main characteristics of your confirmed arrangements or accepted special requirements, we will provide you with the following information in writing as soon as possible: (i) the proposed alteration and any impact this has on the price; (ii) in the event that you do not wish to accept the alteration, details of any substitute package we are able to offer (including the applicable price); (iii) your entitlement to cancel your booking and receive a full refund if you do not want to accept the alteration or any substitute package offered; and (iv) the period within which you must inform us of your decision and what will happen if you don't do so.

Occasionally, it may be necessary to cancel confirmed holiday arrangements. We have the right to terminate your contract in the event (i) we are prevented from performing your contracted holiday arrangements as a result of unavoidable and extraordinary circumstances and we notify you of this as soon as reasonably possible or (ii) we have to cancel because the minimum number of bookings necessary for us to operate your holiday has not been achieved and we notify you of cancellation for this reason as referred to below.

Where we have to cancel your holiday in these circumstances, we will refund all monies you have paid to us but will have no further or other liability to you including in respect of compensation or any costs or expenses you incur or have incurred. We will of course endeavour to offer you comparable alternative arrangements where possible which you may choose to book in place of those cancelled. We also have the right to cancel if you fail to make payment in accordance with the terms of your contract, in which case cancellation charges will apply.

5. MAKING A COMPLAINT

If you have a complaint during your holiday you must inform the driver / representative as soon as possible to allow them the opportunity to resolve the problem as quickly as possible. If you encounter any problems with the hotel you must inform the hotel staff immediately to allow them the opportunity of rectifying the matter, in most cases these difficulties can be rectified on the spot. If, on your return from holiday, you remain dissatisfied you should write within 14 days to Catteralls of Southam Ltd. In your letter you will need to quote your booking reference number, destination and departure date. If you do not tell us at the earliest opportunity about a problem giving rise to your complaint we cannot take steps to investigate and rectify it. In deciding how to respond to your complaint we will take into account the date you first drew the problem to the attention of our driver/courier or supplier. The Company must receive written complaints within 14 days of your return from the holiday. No liability will be accepted for complaints not passed on to the driver nor for those received beyond the stated time (14 days).

6. COACH ALLOCATION

Due to operational reasons (breakdown, availability, low number of passengers etc.) Catteralls of Southam Ltd reserve the right to use midi or standard (no toilet) coach rather than having to cancel your tour or day trip. We will endeavour to inform clients beforehand unless unforeseen circumstances prevent us from doing so.

7. COACH SEATING

Coach seating is allocated at time of booking; however, we do reserve the right to change

seat allocation seating prior to departure if necessary to accommodate further passengers. Requests for particular seats can be made when booking but cannot be guaranteed.

8. HEALTH AND SAFETY ON HOLIDAY

Some tours in our brochure require average physical ability as there may be an element of walking involved. This does not imply other itineraries are suitable and the company will not accept liability for omissions. It is the responsibility of the client to check directly with our staff prior to booking. In some countries, standards of infrastructure, safety and hygiene may be lower than those to which we are accustomed in the UK. You should therefore exercise greater care for your own protection. Further information can be obtained from your GP or from your travel agent who can provide you with the leaflet "Health Advice for Travellers" published by the Department of Health. When travelling to member states of the EC, we strongly advise you to carry with you a European Health Insurance Card. This European health card allows you to free or reduced health care costs whilst in member states. It is very important that you declare any serious illness or ailments at the time of booking. Some people may be at risk from discomfort or deep vein thrombosis (DVT) if they remain immobile on a journey for a long period of time. If you are planning to undertake a bus or coach journey of more than 3 hours you should consult your doctor if you have ever had DVT or pulmonary embolism, a family history of clotting conditions, cancer or treatment for cancer, a stroke, heart or lung disease or if you have had major surgery in the past 3 months. We reserve the right to refuse any booking in the absence of a doctor's certificate confirming that you are fit to travel. During the journey we will provide comfort stops as frequently as possible. During these stops you are encouraged to get off the coach and walk around. Exercise reduces any discomfort, which may be caused by periods of immobility. During any journey you should drink alcohol only in moderation as it leads to dehydration.

9. PASSENGER BEHAVIOUR

We want all our passengers to enjoy their holiday/day Trip. However, you must remember that you are responsible for your behaviour and the effect it may have on others. When you book with us, you accept responsibility for any damage or loss caused by you. If you or any member of your party is abusive, disruptive, or behaves in a way which in our reasonable opinion could damage property, cause injury to others, or affect their enjoyment of the holiday/day trip, we have the right, after reasonable consideration, to terminate your contract with us. In the event of this happening we will have no further obligations or liability to you.

For the comfort and safety of all passengers, customers are also expected to maintain reasonable standards of personal hygiene during the journey. Where hygiene or conduct issues cause discomfort or distress to other passengers, we reserve the right to:

- Address the matter privately with the passenger concerned.
- Relocate seating or take other reasonable steps to protect passenger comfort.
- Refuse carriage if the issue is not resolved or is severe enough to impact the journey.
- Decline future bookings where repeated complaints have been substantiated.

The coach driver, representative, or authorised official is entitled to refuse you boarding if, in their reasonable opinion, you are under the influence of drink or drugs, you are being violent, abusive, disruptive, or your hygiene or conduct is causing significant discomfort to others. If you are refused boarding on the outward journey, we will regard it as a cancellation by you and will apply cancellation charges according to the scale in Section 6. If the refusal is on the return journey, we have the right to terminate the contract and will have no further obligations or liability to you.

10. OUR LIABILITY

(1). We promise to make sure that the holiday arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. We will only be responsible for what our employees, agents and suppliers do, or do not do, if they were, at the time, acting within the course of their employment (for employees), or carrying out work we had asked them to do (for agents and suppliers).

(2). We will not be responsible for any injury, illness, death, loss (for example, loss of enjoyment or loss of possessions), damage, expense, cost or other sum or claim of any nature or description whatsoever which results from any of the following: the act(s) and/or omission(s) of the person(s) affected; or the act(s) and/or omission(s) of a third party not connected with the provision of your holiday and which were unforeseeable or unavoidable.

(3). Your luggage and other personal possessions are your responsibility, and you must look after them at all times. We do not accept liability for any luggage and personal possessions unless you are able to demonstrate that any damage or loss was caused intentionally or negligently by our employees or suppliers.

11. NO SMOKING POLICY

We operate a strict no smoking policy on all our coaches. Comfort stops are made en route. The smoking policy of other carriers and suppliers will vary, but in the majority of hotels we use, there is no smoking in any of the guest bedrooms or public areas.

12. PETS

We do not allow pets to be taken on our holidays. However, Registered Assistance Dogs will normally be accommodated on UK holidays.

13. PICK-UP POINTS, ITINERARIES, TRAVEL DOCUMENTS AND PASSPORTS

If you live up a long drive or track you will be collected from where this joins the main road as some of our feeder vehicles are too large to access these areas. You are responsible for ensuring that you are at the correct departure point at the correct time, with the correct documents and we cannot be held liable for any loss or expense suffered by you or your party because of an incorrect passport or late arrival at the departure point. Approximately two weeks prior to departure we will advise you with confirmation of your pick-up point and departure time. Certain travel documents may have to be retained by us, your driver/courier will then issue them to you at the relevant time, if you lose a travel document after it has been issued to you we will require you to meet the direct cost charged by the carrier/supplier for the issue of a duplicate or replacement. If you are a British citizen travelling outside the United Kingdom you must have a full UK passport valid for a minimum of six months after your scheduled date of return. Non-UK citizens must seek passport and visa advice from the consulates of the countries you plan to visit prior to making a booking for one of our holidays. The name on the passport must match the name on the ticket. If someone in your party changes name after the booking is made, you must tell us immediately so that we can issue the ticket in the new name. Catteralls of Southam reserve the right to modify itineraries at their discretion in order to meet drivers regulatory hours or to conform to requests from the competent Authorities in the United Kingdom and/or any other sovereign state through which the tour will operate. Included excursions are detailed on the relevant brochure page and refunds will not be made for any excursion not taken. Admission fees to buildings, grounds etc. are not included in the price of the holiday unless otherwise stated on the relevant brochure page. Catteralls Coaches reserve the right to return home earlier than stated on itinerary due to unforeseen circumstances, or operational reasons, without prior notice.

14. DELAYS

Your travel insurance may cover you for some delays. In addition where you are delayed for more than six hours in any one day, we will seek to minimise any discomfort, and where possible, arrange for refreshments. Catteralls of Southam Ltd reserve the right, in the unlikely event of a coach breaking down, to replace the tour coach with a standard coach.

15. TRAVEL INSURANCE

We strongly advise you to take out travel insurance to cover medical and repatriation costs, personal injury, loss of baggage and cancellation charges. If you do not have adequate insurance and require our assistance whilst on holiday, we reserve the right to reclaim from you any medical, repatriation or other expenses that we may incur on your behalf, which would otherwise have been met by insurers.

16. SPECIAL NEEDS

Unfortunately many hotels overseas do not provide adequate facilities for guests with

mobility problems or who suffers from other disabilities. Whether you are planning a holiday overseas or in the UK please notify us before you book if you or any member of your party has special needs or suffers from any disability. If you will need assistance or special facilities in the hotel or may have difficulties in taking part in excursions or boarding/travelling on the coach or other means of transport you must let us know immediately because NOT all of our holidays may be suitable for you. We will accept lightweight wheelchairs for travel, subject to them being able to be folded and stowed away in the luggage hold of the coach. We regret that we are unable to take wheelchairs, which are over 15kg (33lb) in weight. We MUST be advised at the time of booking that a folding wheelchair is being taken on the trip. If you do not tell us you are taking additional items we may not be able to accommodate them. Some attractions and tours may not be suitable for the disabled or passengers with walking difficulties. Electric scooters can be hired at most of our chosen destinations however, if you wish to take your own, due to health and safety and weight issues please contact our reservation staff for further information and guidance. Clients that use nebulisers can take a small hand held (or personal) oxygen cylinder on the coach but for those that need large oxygen cylinders you must arrange for them to be sent directly to the hotel. We cannot carry large cylinders in the lockers/luggage areas for UK or European Tours.

17. SPECIAL REQUESTS

Special requests for dietary requirements should be notified at time of booking. We will notify the hotel(s) but please note some hotels may not have facilities to cope with special diets and we cannot be held liable for their failure to do so. You should also detail any other requests - for example, low floor a particular room or location etc. we will pass your request to the relevant supplier but this does not guarantee that your request is definite. If a request can be fulfilled you may incur an extra charge, payable either to us or direct to the hotel.

18. SINGLE OCCUPANCY

We cannot guarantee if you book a single seat that you will not have another single passenger allocated the seat next to you. Single occupancy of rooms when available may be subject to a supplementary charge and this will be shown on the brochure page or advised at the time of booking. NB If you are charged a Single Room Supplement (SRS) it does not mean that your single room is of a better quality or larger in size to any other single room.

19. ENTERTAINMENT

Some of our hotels arrange additional entertainment. Where this is part of the holiday, details are given on the respective brochure page. Where it is not specified it may still be available but is at the discretion of the hotel and is not guaranteed. It may be withdrawn if there is lack of demand or for operational reasons. The hotel reserves the right to change entertainment, once authorisation has been approved by Catteralls Coaches, at their discretion. When purchasing a tour that contains tickets (theatre/show/concert), while we endeavour to ensure that all members of your party are seated together this cannot always be guaranteed. Booking fees are not refundable in any event.

20. DATA PROTECTION ACT

In order to process your booking and to ensure that your travel arrangements run smoothly and meet your requirements we need to use the information you provide such as name, address, any special needs/dietary requirements etc. We take full responsibility for ensuring that proper measures are in place to protect your information. We must pass the information on to the relevant suppliers of your travel arrangements such as hotels, transport companies etc. The information may also be supplied to security or credit card checking companies, public authorities such as customs/ immigration if required by them, or as required by law. Additionally, where your holiday is outside the European Economic Area (EEA), controls on data protection in your destination may not be as strong as the legal requirements in this country. We will not, however, pass information on to any person not responsible for part of your holiday arrangements. This applies to any sensitive information that you give to us such as details of any disabilities or dietary/religious

requirements. If we cannot pass this information on to the relevant suppliers, whether in the EEA or not, we cannot provide your booking. In making this booking you consent to this information being passed on to the relevant persons. Please note that where information is held by your travel agent, this is subject to your agent's own data protection policy. Your data controller is to a copy of your information held by us. If you would like to see this, please contact us.

We retain your full contact details and other information in secure files and electronic storage facilities, we may use this information to contact you by mail, telephone or electronic means. We will provide you with details of other goods and services including those of selected third parties. If you do not wish to receive further information about products and services, please write to the Marketing Manager.

21. TRAVELLING WITH CHILDREN

Following recent guidelines from the British Foreign Office, single parents or other adults travelling alone with children should be aware that some countries require documentary evidence of parental responsibility before allowing lone parents to enter the country or, in some cases, before permitting the children to leave the country. The advice strongly suggests that any child or children who travels with a grandparent, aunt etc, must have a signed letter of authority from either the parents or legal guardians of the child and this must be carried with the child's passport, giving permission for the child or children to be taken out of the UK. (For further information on exactly what will be required at immigration, please contact the appropriate embassy or visit www.fco.co.uk.)

22. ESCORTED TOURS

We do not guarantee a courier service on all our tours. We will monitor the bookings and provide this service if we feel it is necessary.

23. HOLIDAY CANCELLATION

You or any member of your party may cancel at any time, provided that the cancellation is made by the lead name and is communicated to our office in writing. You will have to pay the cancellation charges set below. Bookings are not transferable. If you are insured against cancellation you may be able to recover the charges from your insurers. Your cancellation will take effect from the date when we receive written confirmation of your cancellation. You must also return any tickets or vouchers that you have received. A reduction in room occupancy may increase the charges for the remaining passengers by the application of supplements for low occupancy. If passengers are sharing a room and one party member cancels we will cancel the whole booking as the room cannot be utilised for single use occupancy.

24. MOBILITY SCOOTERS

We are able to carry a maximum of 2 folding mobility scooters on each day excursion or holiday. Scooters must be easily dismantled into separate parts or collapsible and weighing no more than 20kgs. Space must be reserved at the time of booking and passengers need to be travelling with a companion who can assist with the dismantling and stowage of the scooter in the luggage area. Scooters must be powered by dry batteries.

25. PORTERAGE

Porterage is not guaranteed on all our holidays, our drivers will carry luggage into the reception area of your hotel, where passengers can collect and take to their rooms. If assistance is required you may ask your driver.

26. SCALE OF CANCELLATION CHARGES.

Period before departure within which written notice of cancellation of holiday is received (with cancellation charge as a % of your holiday cost).

More than 56 days before departure:	Deposit only
56 days to departure day:	100% of holiday cost

Please note: We do not provide insurance and strongly recommend that all passengers obtain their own for all tours.
